Note: Data not available prior to 1970 census.

NA Not available.

r Revised based on population from the decennial census for that year.

s Data for March 2001 and later use population controls based on Census 2000 and an expanded sample of households designed to improve state estimates of children with health insurance.

1/ First year children in group quarters not included.

\* Persons of Hispanic origin may be of any race.

\*\* Introduction of improved data collection and processing procedures that helped to identify parent-child subfamilies. (See Current Population Reports, P-20, No. 399, "Marital Status and Living Arrangements: March 1984," page 8.)
